

lida digital brochure

We are a digital agency passionate with
employing innovation, design, technology
and strategy to drive business growth,
brands, and digital products.

We are lida digital™

Founded in 2016 by **Leroy Iwu**, our creative director with the vision to inspire creative persons to power dreams and businesses with their super power in design thinking, innovation and technology.

We have helped small and large businesses and government agencies create amazing digital presence and experience for their stakeholders.

Who We've Worked With

We combine experience, trend, intuition and creative expertise to help companies explore the value of innovation, design and technology in growing their business. We are small enough to be simple and fast, but big enough to deliver your project scope at a comfortable pace you need.

Real Estate, Facility Management

Project Approach

We setup end-to-end contact persons' communication channel first.

We subsequently, generally strategize and brainstorm on your project, and dedicate a sub-team of professional skilled in the areas of expertise required by your project, and a supervisor/project manager to your project ensuring timely & error-free execution of your project and attention to detail.

Quality

Assurance

Why Work With Us?

Activity	Methodology
Communication	We dedicate a contact person on our end, and discuss with you to clearly understand your needs.
Brainstorming	With our collective experience, intuition, and creative thinking, we formulate the best of designs, innovations and strategy.
Satisfaction Rating	Before we implement our designs, strategy, and insights, we seek your approval and satisfaction, while providing advise on what works
Implementation	We roll out only what you are satisfied with and completely confident in.
